

Recognized for Completeness of Vision and Ability to Execute

IRVING, Texas, June 30, 2022 (GLOBE NEWSWIRE) -- Exela Technologies (NASDAQ: XELA, XELAP) (OTC: XELAW), a leading and innovative provider of solutions in the Finance and Accounting Business Process Outsourcing domain, today announced that Exela Technologies has been positioned by Gartner® as a Niche Player in the Magic Quadrant for Finance and Accounting Business Process Outsourcing for its offering, FA BPO services. The evaluation was based on specific criteria that analyzed the company's overall completeness of vision and ability to execute.

Exela's product-led Finance and Accounting (FAO) Service Suite is embedded with deep business analytics, helping finance leaders modernize and automate their end-to-end FA functions. Exela's FA professionals serve over 3,400 global clients, across 15 industry verticals.

Exela FAO Services suite incorporates big data, digitization, and modern technologies to transform how the financial services industry functions. The future of finance and accounting will be driven by automation, touchless transactions, minimized human interference, and decisions driven by data and insights.

Magic Quadrant reports are a culmination of rigorous, fact-based research in specific markets, providing a wide-angle view of the relative positions of the providers in markets where growth is high and provider differentiation is distinct. Providers are positioned into four quadrants: Leaders, Challengers, Visionaries and Niche Players. The research enables you to get the most from market analysis in alignment with your unique business and technology needs.
