

IRVING, Texas, May 12, 2023 (GLOBE NEWSWIRE) -- Exela Technologies, Inc. ("Exela" or the "Company") (NASDAQ: XELA, XELAP), a global business process automation ("BPA") leader, announced that its Board of Directors has approved a 1-for-200 reverse stock split of the Company's common stock, which will be effective at 5:00 p.m. Eastern Time on Friday, May 12, 2023.

The amendment to the Company's certificate of incorporation allowing for the reverse split was approved by the Company's stockholders at the Special Meeting held May 11, 2023. As a result of the reverse split, each two hundred shares of the Company's issued and outstanding common stock will be automatically combined and converted into one issued and outstanding share of common stock. The Company's shares will begin trading on a split-adjusted basis on the Nasdaq Capital Market commencing upon market open on May 15, 2023. Immediately after the reverse split becomes effective, there will be approximately 6.4 million shares of common stock issued and outstanding.

About Exela

Exela Technologies is a business process automation (BPA) leader, leveraging a global footprint and proprietary technology to provide digital transformation solutions enhancing quality, productivity, and end-user experience. With decades of experience operating mission-critical processes, Exela serves a growing roster of more than 4,000 customers throughout 50 countries, including over 60% of the Fortune® 100. Utilizing foundational technologies spanning information management, workflow automation, and integrated communications, Exela's software and services include multi-industry, departmental solution suites addressing finance and accounting, human capital management, and legal management, as well as industry-specific solutions for banking, healthcare, insurance, and the public sector. Through cloud-enabled platforms, built on a configurable stack of automation modules, and approximately 15,000 employees operating in 21 countries, Exela rapidly deploys integrated technology and operations as an end-to-end digital journey partner.
